REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pageland Elementary School is a rural Title I school that serves 435 students in grades three through five. Eighty-five percent of students qualify for free lunch. Our staff is committed to the highest standards of student achievement. We have a full-time Math Coach and a Curriculum Coordinator to provide continuous support for all content areas. Many opportunities to extend and enhance learning are provided for students at Pageland Elementary. Early-morning and after-school tutoring, after-school math and language arts instruction, and mentoring programs are all available to serve our children. Pageland Elementary is a model technology school. We have interactive SMARTboards and Active-Response Systems in every classroom. The school also has two Compass computer labs. The staff is constantly being trained on new strategies and techniques for integrating technology into the curriculum. Art, music, physical education, and the media center are integrated into the curriculum on a daily basis. All teachers collaborate to plan instructionally sound and engaging lessons for all children. Character education is a part of every student's day. Key character words are explained and discussed daily as part of the morning announcements. All of our instructional decisions are based on current data. Data is gathered using MAP, Dominion Reading assessment, STAR reading assessment, PASS, and common grade level assessments. We changed our math curriculum to Every Day Mathematics and our writing program to Write from the Beginning. Parental support is strong at Pageland Elementary. The school won the district volunteer award for the third time in four years by logging 14,000 volunteer hours. The PTO raised funds to provide incentives and activities for students and staff. Our School Improvement Council continues to support and monitor innovations and improvements. We schedule Monthly Parent Academies to assist parents with strategies to help their children in all academic and social areas. We also provide bi-weekly Saturday Library and Computer Lab to promote "families learning together." It takes all of us, teachers, parents, students, and community, working together to make Pageland Elementary a wonderful place to learn and grow and to create success beyond the classroom.
